

A SPECIAL INVITATION TO VISIT CALIFORNIA WILDLIFE CENTER'S

Spring open House!

Join us for an afternoon of...

- Entertainment • Wildlife Education • Children's Activities
- Up-close Encounters with Rescued and Educational Animals*

CWC's Spring open House

Sunday, March 22, 2009

Noon – 4 p.m.

26026 Piuma Road, Calabasas, CA 91302

Most activities will be outside, so please dress accordingly.

Refreshments Served • Free Admission • Children Welcome
RSVP: (818) 222-2658, or Admin@californiawildlifecenter.org

Meet the Staff: Ask the **Marine Mammal Response Team** about why seals and sea lions “strand” themselves on the beach and what you can do to help. Ask our **Hospital Techs** and **Volunteers** about how to recognize a fledgling bird...one that should be left alone and not kidnapped. Ask **Dr. Tom** about his most unusual wildlife cases.

Guided Tours: View an informative video followed by a tour of the Center led by one of our knowledgeable volunteers. Visit the intensive care hospital and the Baby Care Unit.

Children's Activities: Animal face-painting and visor decorating; learn how to build an easy bird feeder.

Musical Entertainment Enjoy a musical performance by Karen Tobin, a powerful, sensitive, singer/songwriter, who is a veteran of the Los Angeles music scene and former recording artist with Arista Records, New York, and Atlantic Records, Nashville. Karen was nominated as Best Female Artist by the Los Angeles Music Awards, along with Dwight Yoakum and Jim Lauderdale. She has sung on projects with Neil Young, Everclear, Hot Tuna, and Oasis, and has been compared with such luminaries of the female vocalist elite as Emmylou Harris and Linda Ronstadt.

**Courtesy of Lori Morris from Hope Ranch, Malibu and Kim Stroud from Ojai Raptor Center – many thanks!*

California Wildlife Center is a 501(c)(3) nonprofit wildlife care organization dedicated to providing emergency rescue for marine mammals, full service rehabilitative care for local wildlife and ultimately health and freedom to sick, injured and orphaned wild animals in Los Angeles County. Since 1998, the Center has cared for more than 17,000 animals. CWC promotes the protection of wildlife and the environment through education, training and partnerships with the community.
